WA-ACTE FACSE President Elect

a wonderful experience. I have met people that I would not have met had I not stepped out of my comfort zone. I have had experiences that have enriched me in so many ways that never would have happened if I had not said yes. And because I feel so strongly that I am a better person, and a better teacher because of the last three years; I want to encourage each of you to step out of your comfort zone and become

involved. Whether it is at the local level, in your school, at the state level in your professional group or even nationally ...take a chance to serve, learn and grow! Thank you for the great times!!

Enjoy your summer and I look forward to seeing you at both the Summer WA-ACTE conference and next fall at our Fall FACSE conference.
