

**Membership Committee Help Us Recruit New Members!**

**We can use your help to recruit other FACSE teachers in your district or region!** We have invitation letters that include more information about the benefits of membership (including this newsletter, your membership contact book, and membership card!). If you know of someone in your school, district, or general area that ISN'T a member of the WA-ACTE FACSE section... please extend our warmest invitation to them!

Please contact Molly Galbreath or Dottie Record if you need to update your information that we have on record for you, OR if you can give us information to recruit new members.

Sincerely,  
 Molly Galbreath and Dottie Record

**Looking for a few great individuals!**

Do you like meeting new people? Are you detail-oriented? Have you ever wondered what the other FACSE teachers in Washington are doing? Do you enjoy connecting people together from across the state?

**Join the Membership Committee this summer!** Be sure to sign up for the Committee Breakfast and sit at our table! We'd love to get you involved to help us put together and distribute our membership books, membership cards, and send letters to great professionals across our state.

We have many more duties and would LOVE it if you'd like to help us keep our records accurate and our WA-ACTE FACSE membership healthy and strong.
