Part 1 Directions: Circle the appropriate answer to the following questions.

1. What is the color scheme used in your magazine photograph? Monochromatic, Analogous, Complementary, Split complementary, Triad, _____
2. What is the style used? Traditional, Contemporary, Rustic, Eclectic, _____
3. Formal or informal _____
4. Which room is depicted in the photo? Living room, Kitchen, Dining room, Family room, bedroom _____
5. From the "look" of the room, describe the room and a possible scenario of the home owners. (No colored pens, neat work)

Example: The living room is done in all light colors and formal fabrics with delicate accessories of glass and dramatic sculpture pieces. I believe the homeowners are an older, retired couple with no children in the home.

Part 2 Directions:

1. Read the information on the magazine page to glean any information that might help you relate to your photograph.
2. Using the paper cutter, trim the edges evenly around the photograph.
3. Mount the picture on white printer paper (centered on the page) using a glue stick.
4. Find a paint sample to mimic the paint color in the magazine photo. Place on lower right portion of printer paper with glue stick.
5. Procure a fabric sample similar in color and texture to the one found in the photo. Place on the printer paper on the left corner.
6. Using the Gothic lettering, write your name, period, and assignment on the top, left corner of the paper.

Example: K. PALMER
